On behalf of the Georgia Sporting Clays Association, I would like to welcome everyone to our 2020 GSCA State Shoot hosted by The Meadows Gun Club and Shooting School. This will be our 31st State Shoot we have presented and have had tremendous growth throughout the years.

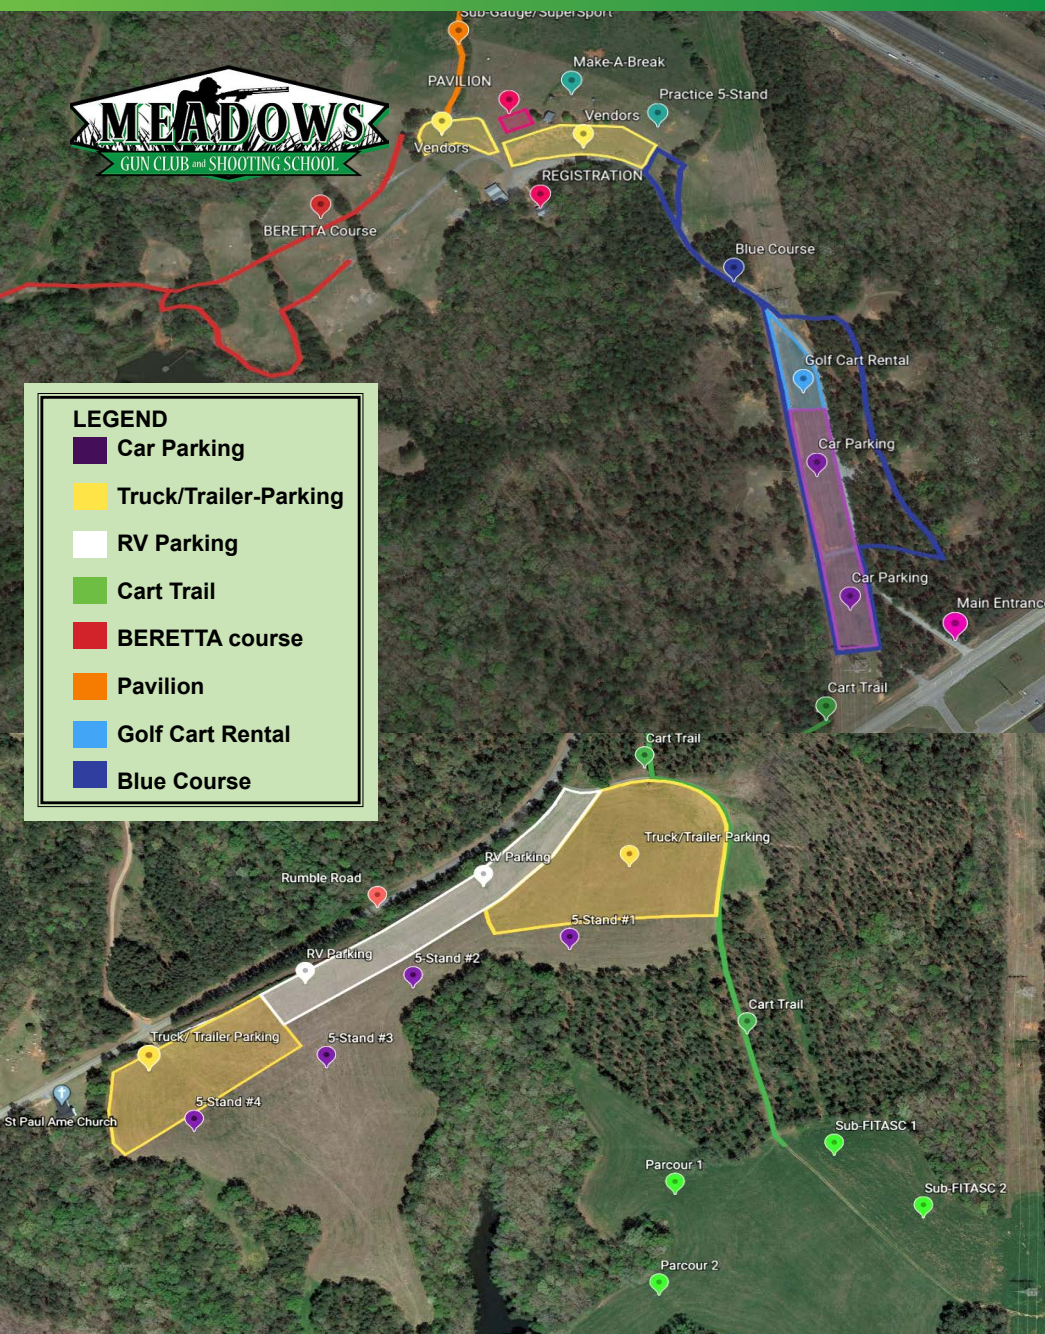

We want to thank our members and others for understanding the difficult decisions we have had to make during the Pandemic. We hope to have all events including the Friday and Saturday night functions take place as planned. The safety of our participants is of utmost concern. If we decide to cancel events, it will be to make sure the entire event is safe for everyone. Currently scheduled is the Friday night social and Make-a-Break shootout, The GSCA annual meeting along with The Dick Phillips Invitational Shootout on Saturday night. Our annual meeting on Saturday night of the shoot will have several key announcements. We will announce election results and the location of the 2021 State Shoot location. Another exciting introduction will be our newest Hall of Fame Member. Following the annual meeting and dinner will be the Dick Phillips Invitational Shoot out. We will randomly draw 5 Ladies, Juniors and Sub-Juniors who will shoot off under the lights. We will also have coaches assisting the shooters during this event.

Again, thank you for your participation and I look forward to seeing you soon at The Meadows.

Regards,
